# Welcome to Bovey Tracey

WELCOME to the 2017 edition of the Bovey Tracey Town Guide and we hope this guide will provide important local information for residents and help visitors to enjoy their visit to the town.

Bovey Tracey is a unique place – a magnet that attracts visitors from around the world throughout the year.

Bovey Tracey nestles on the south-east edge of Dartmoor National Park.

Set amidst beautiful countryside,

the town's history can be traced back to Saxon times, with links to the English Civil War as well as the pottery and railway industries.

In 2010, Bovey Tracey celebrated its 750th anniversary of the signing of its Market and Fair Charter by Henry III in 1260.

Close to Bovey Tracey is Heathfield, which is a substantial residential and significant business area within the parish. Nearby is Bovey Heath, the site of an English Civil War battle. Local legend tells that in 1664 during the civil war, Cromwellian troops reputedly surprised Royalist officers who were drinking and playing cards in a house in East Street thought to be Front House Lodge. On making a hasty exit, one of the Royalists had the idea of grabbing a pile of money from the card table and throwing it out

of the window. The Royalists made their escape, while the poorly paid Parliamentarians scabbled for the coins and fled to Heathfield.

The Battle of Bovey Heath was fought the following day with Cromwell winning 400 horses and capturing seven regimental colours. Today, Bovey Heath is a haven for rare plants and wildlife, which is now owned and managed by Devon Wildlife Trust.

There is plenty to do in and around Bovey Tracey. A walk around the town will reveal many beautiful and intriguing buildings, including the famous medieval Parish Church of SS Peter, Paul & Thomas of Canterbury, Cromwell's Arch and the Old Railway Station, which is now the Heritage Centre.

Visit Bovey Tracey's Information Centre in Station Road car park, where you will find a variety of leaflets, maps and other information on local places to visit and things to do for all the family, including local walks – pick up a free copy of 'Striding Out' which provides details of six walks in the area – and details of local events.

The information centre (01626 832047) also offers details on local accommodation or visit [www.boveytracey.gov.uk](http://www.boveytracey.gov.uk)

## Shopping and Eating Out

Pick up your free copy from the heritage centre or from the information centre.

## Contemporary Craft Festival

This event has been held annually in Mill Marsh Park, Bovey Tracey, since 2004. It now welcomes more than 8,000 visitors and has become one of the most prestigious and highly acclaimed craft events in the UK. The aim of the festival – formed originally by three local craft businesses – was to showcase the very best in British craft and to create a new, sustainable and strong market place for contemporary craft but also to bring greater prosperity to the town of Bovey Tracey. The festival, which presents more than 200 stands of the finest contemporary craft with a full programme of educational events, is held in Mill Marsh Park, Bovey Tracey every June.

## Devon Guild of Craftsmen

From small but ambitious origins, the organisation has grown into a leading educational charity and popular contemporary crafts venue at the hub of local and creative communities.

With a reputation and influence that extends nationally, our exhibitions and events are fun, open to all, inclusive and, we hope, inspiring.

At Riverside Mill there are two galleries, constantly changing displays and showcases in the shop and a lively, friendly cafe with free wifi for your personal use or informal business meetings. See [www.crafts.org.uk](http://www.crafts.org.uk).

## Bovey Tracey Flag Project 2017

This is a Bovey Tracey Community project, working with local businesses and organisations to create outstanding large scale colourful flags to enhance the town. Started in 2014 it was funded then by Bovey Tracey Town Council as a regeneration project for the town.

Last year's funding from the Tracey Almshouse

Trust helped to continue and extend brightening up Bovey Tracey, and there will now be more than 50 flags going up this summer in time for the 'Celebrate' event in Bovey Tracey on April 29, then over the Contemporary Craft Festival, Carnival Week

and Nourish Festival in September.

The flags are mainly designed and sewn by participants from businesses and organisations including those at The Community Gardens in Parke, parishioners of the churches throughout the town, the primary school and the invaluable help given by wonderful volunteers all led by community artist Bridget Arnold.

Devon Guild of Craftsmen and the Plastic Surgeons are kindly helping to fund this year's workshops to make it possible for the flags to go up again in the town.

## Bovey Tracey Information Centre

THE Bovey Tracey Information Centre is located in the car park in Station Road directly opposite the Devon Guild of Craftsmen and is open seven days a week from April to the beginning of November and on most Saturdays for the winter months.

The information centre is staffed by a team of around 30 volunteers whose extensive local knowledge is put to the test by some 12,000 visitors and members of the local community every year.

The information centre provides a single point of contact where visitors and local residents can access a variety of information relevant to Bovey Tracey and the surrounding area, particularly Dartmoor National Park.

If you need to know about local shops and services, places to visit, things to do, where to stay, where to eat, buses, trains, theatres, cinemas, where to walk or cycle, or if you need maps, books or postcards then drop in and see us.

**NOURISH FESTIVAL**, now in its fourth year, has become synonymous with fine food, craft and music of the highest quality presented in the heart of Bovey Tracey, Devon.

The **Nourish Food & Drink Fair** will fill Bovey's high street with some of the best producers from the south west on Sat 2 September. We invited producers of the widest possible variety of excellent food. We have two simple criteria, they make the best and they live in the south west of England. Expect artisan cheeses, preserves, bread, cakes, cordials, vegetables, herbs, beer, wine, liqueurs, cider, relishes, pates, handmade chocolates, oils, pies and even speciality mushrooms.

**The Devon Street Food Awards at Nourish Festival** in association with Devon Life returns for another successful year celebrating the very best in Street Food in Devon.

Nourish will feature an eclectic, exciting and above all delicious mix of street food. Expect Caribbean, Indian, Spanish, Moroccan flavours, wood-fired Italian pizza, French crepes, Mexican street food, fish delicacies, a proper pie and possibly the best burger you will ever taste.

We are also extremely partial to a decent gin and tonic and with the soon to be opened Dartmoor Distillery in Bovey Tracey, we are rather keen to announce **The Nourish Gin Festival**. Meet south west producers of artisan gin and gather with us to enjoy your favourite tippie at Nourish in September.

Other events include **The Bovey Bake Off** and **Junior Bovey Bake Off**, will once again get the community reaching for their mixing bowls judged by our own Queen of Cakes, Tracey Godwin.

The **Nourish Contemporary Craft Fair** will be hosted

# Mayor's Message

BEING just off the A38 (Drumbridges exit) and close to Exeter, Newton Abbot, Torbay and Plymouth, our location makes Bovey Tracey a popular place to live, and being on the south-eastern

boundary of the Dartmoor National Park, makes it ideal for tourists to visit and to use as a base for getting around the magnificent moorlands and coastal beauty spots. Walks, rambles, and cycling are all increasing in popularity, and our town is becoming an especially popular hub for enthusiasts.

We are blessed with many small shops in the town, and a brand new Co-op Food Store has opened to endorse the strength of Bovey as a shopping venue. We have the Devon Guild of Craftsmen based here, the brilliant House of Marbles, a Lloyds Bank branch, while the Bovey and Heathfield Spar shops house relocated post offices, with another post office to be found in Brimley. Our popular library, which was under threat of closure, has been saved, and now has a good future. Our hotels, pubs, restaurants, coffee shops and take-away food outlets offer a variety of cuisines and refreshments to those spending their time here.

This guide (front cover images kindly contributed by Photography by BIM and Simon Williams South View Images) contains references to many other business and traders, and events that are held each year, the reputations of which seem to

increase year-on-year, thanks to dedicated hard working individuals and teams. You will also see that we are very fortunate in having all types of voluntary organisations supporting and engaging with our young people and the elderly population alike.

In 2016 our town council parks team has earned Bovey a second Silver Pennant Award in the SW Britain in Bloom competition, while our town centre inn, The Cromwell Arms, added to this by winning third place in the South West Pubs section of the same competition. Also playing a major part in making the town centre look so attractive was a summer display of colourful hand-made flags representing local organisations, shops, trades and businesses, which will be returning.

So, what's new for 2017? We're planning a new free community town centre 'celebrate' event on the Saturday of the May bank holiday weekend – the Bovey Tracey Spring and Green Man Festival. This will feature music and song from local schools and voluntary groups with performances from several Morris Dancing teams. Fore Street will house stalls selling local produce and street food. In addition, the brand new Dartmoor Distillery on the site of the Old Town Hall is expected to open its doors on the same day.

There will be lots going on for all ages and tastes, so whether resident or visitor, you are welcome to enjoy what our town has to offer during 2017.

**Town Mayor Cllr Tony Allen**

in the Methodist Church Hall, showcasing beautiful handmade craft from across the south west with craft demonstrations and other craft events taking place at Devon Guild of Craftsmen. Exceptional makers from across the south west will present an inspirational selection of jewellery, pottery, glass, textiles and wood. If this is you, we want to hear from you.

The **Nourish Music programme** from 1 September will present a rare performance from world-renowned cellist, Steven Isserlis. Isserlis, who sells out Wigmore Hall and venues across the globe will be performing in Bovey Tracey on Friday September 1 in the intimate surroundings of St Peter, St Paul and St Thomas Church. A truly unique experience.

The festival also features Japanese pianist, Noriko Ogawa. Noriko appears with all the major European, Japanese and US orchestras including recent and

forthcoming performances with the Polish National Radio Symphony Orchestra, Tchaikovsky Symphony Orchestra of Moscow Radio, BBC Philharmonic Orchestra, Czech National Symphony Orchestra and the Nagoya Philharmonic Orchestra, as well as the BBC Symphony Orchestra. Noriko will be performing in Bovey Tracey on Friday, September 2 at St Peter, St Paul and St Thomas Church.

Nourish Festival is a community initiative led by The Contemporary Craft Festival, The Devon Guild of Craftsmen and the Cheese Shed.

The Food & Craft Fair, Gin Festival, Street Food Awards and Bovey Bake Off on Sat, Sept 2 are free. Concerts on September 1 and 2 are ticketed. Full details and ticket information can be found at [www.nourishfestival.org](http://www.nourishfestival.org). Tickets will also be available via our box office at The Devon Guild of Craftsmen.

THE Contemporary Craft Festival, back for its 13th consecutive year, the highly acclaimed, multi-award winning festival is due to take place in the beautiful setting of Mill Marsh Park, Bovey Tracey between the 9th and 11th of June 2017.

The three-day event is designed to showcase the finest makers from across the country. Over 200 woodturners, jewellery makers, textile designers, metal and leather workers, potters, silversmiths and many more, have been carefully selected by industry specialists to exhibit at the show with the aim of raising the profile of quality contemporary craft.

NATURAL ENGLAND

# What shaped the landscape around us?

AT East Dartmoor National Nature Reserve (NNR), which is made up of the Bovey Valley Woodlands, Trendlebere Down and Yarner Wood, Natural England and the Woodland Trust together with others, help shape this small but special part of Dartmoor National Park for its wildlife and cultural interest.

2017 is a special year, as it is now 65 years since Yarner Wood was declared as a National Nature Reserve, making it England's oldest NNR. In this year, we hope to get in touch with all those who have played a part in shaping this wonderful woodland to see the human picture of how the reserve has changed.

We are also lucky to be part of three Moor Than Meets The Eye Parishscapes projects, involving three local parishes. The Bovey Tracey project is called Granite Elements, which involves taking a closer more detailed look at the granite tramway that links Bovey Tracey and Yarner Wood, with both

WOODLAND TRUST

Haytor and Stover. With Lustleigh and Manaton parishes we are safeguarding an old clam bridge and discovering more about the medieval farmsteads found within the Bovey Valley.

These features and many more that lie hidden in the landscape, are linked together by past human exploits and thanks to our History Hunter volunteers, who meet most Fridays, we are finding more about our history.

This cultural interest also

shapes the wildlife found here. For example, the old trees should harbour our richest lichen interest, Natural England and the Woodland Trust hope to manage the surrounding shade-bearing hollies around some of the older trees on our wood banks alongside plantlife to create a more resilient landscape.

**So: we have helped shape our landscape, but we have an obligation to maintain its beauty while safeguarding the wildlife and cultural interest within it.**

# Parke Bovey Tracey

PARKE sits on the outskirts of Bovey Tracey and is a five minute walk from the centre of the town. There are lots of circular walks of different lengths from a gentle stroll along by the river to a more challenging walk through the woodland.

A walks leaflet is available from the National Trust office opposite Home Farm café. The café serves home cooked dishes, teas, coffees, cakes and ices and is open all year. Check opening times at [www.homefarmcafe.co.uk](http://www.homefarmcafe.co.uk) or ring 01626 830016.

Parke has a fascinating history and clues to its history can be found all over the place.

Major Hole left Parke to the National Trust in 1974. The house you see above, constructed around 1826, was built on the site of a Tudor house, remains of which can be seen in the gardens. The house is currently leased to Dartmoor National Park Authority and not open to the general public. The two rows of granite posts in the parkland, were rails from the

nearby tramway used to take granite from Haytor quarry to Stover Canal at Teigngrace. One of the old trucks used can be seen in the open shed behind the house opposite the lavatories.

The weir on the river dates back to medieval times and feeds the leat, which was built to run a water-powered mill in Bovey Tracey.

There is an abundance of wildlife at Parke. In the meadows look out for orchids and ragged robin. Along the River Bovey you may see kingfishers and dippers – it is home to salmon and sea trout too. Keep an eye out for otter

spraints (dung – you will smell it first!).

In the woodlands, you may see badgers, foxes, roe deer, great spotted and green woodpeckers. Bats emerge at dusk from around the buildings.

Parke continues to be a managed working landscape to support a number of wildlife habitats, a place for people to enjoy and to produce food. The walled garden dates back to the 1800's, when it would have provided soft fruit for Parke House. The ground slopes giving the walls an unusual shape. After many years of neglect it is now jointly run by the National Trust and Bovey Climate Action to produce locally-grown fruit and vegetables, including, apricots, figs, apples, pears, root vegetables, salad leaves and cut flowers.

The orchard contains 150 cider apple trees. Parke holds an annual apple day early in October where apples are picked and made into apple juice and cider using an apple press.

The dismantled railway line is used today as part of the Wray cycle trail.

The Dartmoor Pony Heritage Trust (DPHT) is a registered charity established in 2005 to protect and conserve the Dartmoor Pony on Dartmoor and is based at Parke.

For further details and opening times visit the DPHT website [www.dpht.co.uk](http://www.dpht.co.uk) or check the board in the car park.

For further information and events go to [www.nationaltrust.org.uk/parke](http://www.nationaltrust.org.uk/parke) or ring Dartmoor Countryside Office 01626 834748.

# Dream, Believe, Achieve

ST CATHERINE'S has been caring for and educating the children of Heathfield for more than 100 years. Our school motto is 'Dream Believe Achieve', a philosophy that underpins all that we do.

St Catherine's is part of the highly successful United Schools Federation (USF) which includes St Michael's in Kingsteignton, St Mary's in Brixton (near Plymouth) and Marldon Primary, (near Paignton). The continued growth and development of the federation clearly reflects the progress that the schools are making by working in partnership together. This progress gives all children access to a wide range of opportunities and experiences that enhances their learning and ensures that the children are progressing and attaining levels that exceed expectation. Everyone involved with the school works tirelessly for the continued improvement of the school.

St Catherine's was inspected in November 2011 by Ofsted, being judged as 'good' with many 'outstanding features'. In December 2011 the school was also inspected by SIAS (Statutory Inspection Of Anglican Schools), and was judged as being a 'good' school, confirming the high quality of our provision through our positive Christian ethos that underpins everything that we do.

*A 'good school with outstanding features – Ofsted 2011*  
*A 'good church school' – SIAS 2011*

In December 2012 the school was also honoured by the Department for Education as being one of the top 100 schools nationally for sustained improvement in Key Stage 2 results at level 4 and above in the previous three years.

In September 2014, St Catherine's was recognised for being in the top two per cent of all

schools nationally for its achievement in Key Stage 1 phonics.

We are very proud of this achievement.

St Catherine's is a school that has continued to improve in all areas. We have an exciting international curriculum that develops children to become citizens of the world. We have an exciting range of extra curricular activities including caving, mountain biking, scuba diving, climbing, engineering, various sports clubs, art and craft clubs, a choir and even a radio club which helps to produce our own radio programmes for 'Radio USF'. We have also extended our provision by starting an 'Early Birds' club to give parents the opportunity to bring their children to school early.

We would welcome anyone who would like to find out more about us and what we can offer you and your children. Please feel free to contact the school and we will be more than happy to show you what we are all about.

# Bovey Tracey Horticultural Society

THE Bovey Tracey Horticultural Society held its first summer show in 1863, and continued up until the mid 1930s.

In the 1960s, the Bovey Tracey Produce Association took over the running of the British Legion's Annual Flower Show, and reinstated the name of the Bovey Tracey Horticultural Society.

The majority of its 100 or so members live in the Bovey area, but it also has members in Stokeinteignhead and Newton Abbot.

During the winter/spring months – November to May – the society has a talk on an item of horticultural interest on the second Tuesday of the month, commencing at 7.30pm in the Methodist Church Hall, Le Molay Littry Way, Bovey Tracey. Excursions are organised during the year, to horticultural venues both local and distant.

The society holds two shows every year, a members' exhibit-only Spring Show

in April at the Methodist Hall and the main event, the annual Summer Show, in Parke View Meadow, opposite the Methodist Church, on Saturday, August 19.

The annual general meeting is held on the second Tuesday in November, again at 7.30pm in the Methodist Hall. This is followed by a social evening.

Membership subscription is £7.50 per year increasing to £10 from November 1017.

This gives free entry to the winter meetings and a quarterly newsletter.

For further details, contact chairman Julia Mooney on 01626 830332 or go to the website at [bovey-gardeners.org.uk](http://bovey-gardeners.org.uk).

# Christians and Churches in Bovey Tracey

**Dear Friends,**

The Church is very much alive, well and active in your community! Between us we offer a wide variety of worshipping styles in very different buildings, so that there will be something for you, whether your preference is for guitars and drums or a traditional organ; for the ancient beauty of a parish church or the simplicity of a school hall; for worship that is formal or informal... within all our churches you will find warmth, friendship and support.

Our aim is for our different styles and approaches to complement each other and so, although the churches are varied, we work together closely. Between us, we offer a range of regular groups and activities for all ages, from babes and toddlers through to fellowship and care for the elderly – too many to list here, but something for everyone.

Being a part of our community, contributing to and working for its wellbeing, is also an important expression of our Christian faith, and so you will find many of our church members actively involved in the wider life of Bovey Tracey and Heathfield, and our church halls available for community use. We also have collection points for donations to HITS, our local Foodbank covering Teignbridge, and between us as churches we support a large range of local and global causes and charities.

So it doesn't matter whether you are new to our area or have been here for ages, whether you've had any contact with or experience of church before, or whether you have a firm faith, are searching for some meaning or are simply curious – you are very welcome to explore the churches and to find out more. Just ask at any of the churches about what's going on across them all, or look out for publicity of particular events and activities.

# Activities Trust

BOVEY Tracey Activities Trust (BTAT) is a charitable trust run entirely by the members volunteering. Membership is open to those aged 55+ living within a five-mile radius of the centre of Bovey Tracey.

Its aim is to encourage those approaching retirement or already retired to continue to enjoy a physically and mentally active lifestyle by participating in a wide variety of indoor and outdoor educational, recreational and social activities and assisting in running the activities whenever possible.

Membership of the trust is on an annual basis with renewals due each year at the annual general meeting in April. New membership is subject to availability of places after the end of May each year. Membership numbers are governed by the size of the hall and fire/health and safety issues.

The club has been in its home, The Phoenix Hall, since 2002. Among the activities currently enjoyed by BTAT members are indoor groups (played at The Phoenix Hall) which include card and board games such as bridge, Rummikub, Scrabble and whist.

There are also discussion and book groups,

Activities away from the club premises include pitch and putt, pétanque, activity lunches and walking groups.

Members may bring guests to many of the activities in order to give them the opportunity to experience the ethos of the trust and assess whether they would like to become members and participate fully in BTAT activities.

Non-members are invited to attend on Thursdays between 9.30am and 11.30am for a coffee morning (cost £1) where they can meet with a small group of members and find out about the trust and the activities that are run. They can then decide if it is the type of organisation for them and about the procedure for joining.

Details can be obtained by emailing [admin@btat.orangehome.co.uk](mailto:admin@btat.orangehome.co.uk) or from the website [www.btat-devon.org.uk](http://www.btat-devon.org.uk)

# The Bovey Tracey Players

THE Bovey Tracey Players are a thriving drama group of around 50 members. They aim to produce three shows a year.

As an active drama group they require a range of skills and interests as well as directing, acting and singing. These include set building; make-up, costume, lighting and sound as well as front of house duties. Musicians are always welcome.

A wide variety of full length and one act plays have been produced over the years and these have included comedy, farce and drama and on occasions, the premiere of new writings by members.

A pantomime is produced every other year alternating with a nativity play in the local parish church.

Both types of production have proved popular with local audiences.

The Players have also performed street theatre, cabarets and a large number of members were also involved in a very successful '1950s Radio Show' presented in celebration of the Queen's Diamond Jubilee.

The Players also enjoy a variety of social events which helps to raise funds for their nominated charity each year.

**For more details and up to date information on what is happening with the group, visit the Players' website at [www.boveytraceyplayers.org](http://www.boveytraceyplayers.org) or contact the chairman, David Cartwright, on 01626 835250.**

# Bovey Tracey Athletic Football Club

ALTHOUGH football has been played in Bovey since the late 1890s, the present club was formed around 1950 by the merger of Bovey Town and Bovey St Johns who played at the Recreation Ground. This merger was much the work of Frank French who was, at the time, the local policeman.

The earliest documented game was on November 11, 1899, when Bovey entertained Torquay United for a friendly in what was Torquay's first season. Bovey went on to win the match 2-1 with a controversial penalty, the last kick of the game at the end of 20 minutes injury time.

On March 31, 1961, in front of 3,000 spectators Bovey won the Herald Cup 3-1 with goals from Slocombe, Hydon and Fone. Bovey have also appeared in this final, on four other occasions in 1931/32 (Bovey St Johns), 1938/39 (Bovey Town), 1993/94 and 2003/04 all ending in defeat.

In 1979 the football club made their biggest purchase to date with the purchase of land at Mill Marsh Park (the current ground), however, part of this land was sold under a compulsory purchase order in 1984 to assist in the construction of the 'Bovey Bypass'.

The 2008/09 season once again saw the club achieve new heights, with the use of new facilities here at the renamed Western Counties Roofing Ground. The East Division title was lost on the final day of the season but promotion to the Premier Division as runners-up was achieved. They were also beaten finalists in the Devon Premier Cup Final.

During the seasons of 2009/10, 2010/11 and 2011/12, the club saw a succession of managers as Bovey Tracey retained their Premier Division status each season. With Football Foundation assisted grant funding, floodlights and covered seating and standing areas have been added, making watching a great experience for the townsfolk, also a well-equipped kitchen offering supporters a wide range of hot and cold food and drinks.

The club's substantial youth system runs teams from under 8s to under 16s and will be creating an Under 18s team in the 2015-16 season, thereby filling the final gap in the club's player development structure.

The club continues to be the envy of many larger clubs in the region, producing a large number of

talented youngsters. Recently, Cliff Walters (pictured right) went on to captain the Devon Under 18s side, and Liam Head has represented his country at International level, playing in both the home internationals, as well as the U17s European Championships.

There have recently been further ground and facility improvements, with the provision of a new purpose built pitch, to accommodate the under 9s and 10s, at the Western Counties Ground. This facility is a huge coup for BTAFC which can now boast to having one of the best playing surfaces for kids of this age group, anywhere in the county. It is the club's intention, to continue to improve its facilities with the provision of a new changing room complex at the Western Counties Ground.

With the advent of Torquay Utd Ladies (who play all their home fixtures at the ground) now being an integral part of the club, the need is there to further develop women's football, so a dedicated changing room suite is a must. As well as the Torquay Ladies, it is the club's intention to advertise and help develop the game for girls of all ages, hopefully culminating in a second 11 playing under a Bovey Tracey badge, but with a view to eventually attaining the skill levels required to progress into the Torquay Ladies' 1st team. The ladies have been a breath of fresh air at the club, and the club will continue to support them in whatever way it can.

It is still the club's aim to focus on its best assets which, in their opinion, are the local youngsters. The club therefore strives to continuously improve its facilities and coaching staff, thus allowing it to focus on what's important, rather than tying itself down with huge player budgets, that can and does damage football in general.

The club house is located on the Rec (next door to the swimming pool), and new members or visitors are always welcome.

Bovey Tracey AFC is a local club, supporting local children and adults alike – please feel free to go along to a match.... you may just like it!

# Bovey Tracey Pétanque Club

BOVEY Tracey Pétanque Club play on their Piste at BT AFC Ground in St Johns Lane, Bovey Tracey, every Sunday afternoon from 2pm through until 4pm or 5pm depending on the weather. This is a friendly afternoon where the emphasis is on social activity of fun. The club also hosts games twice a month for Bovey Tracey Activities Trust on a Thursday.

Last year was another excellent time for the club having won the South Devon Twinning Pétanque League Shield for the 15th consecutive year. Pictured left is team captain Mike Browne receiving the league shield from president Brian Simmons at the presentation dinner.

During the year, the club also won six out of seven individual trophies in the South Devon Twinning Pétanque League. The club also won the Memorial Trophy which is played for

outside the league scoring system to remember all those players who are no longer with us. Pictured right, club treasurer and co-ordinator Mike Watson receiving the trophy from Brian Simmons.

## THE CONCEPT:

THE sport is played with metal balls and a jack and can be played by teams of three players (triples), two players (doubles) or a straight head-to-head between two single players.

The object of each end is to get more of your boules closer to the jack than your opponent (each one that is closer scores one point) and the team/player to reach the score being played for first wins the game. The game is suitable for any one from about eight years of age onwards.

Some of the members only play in the friendly games on a Sunday while others play in a more serious but still very friendly competition in the league games. The club is open to anyone who would like to try their hand at this very easy game played in a friendly, competitive manner.

Anyone interested in trying the sport is welcome to come along on a Sunday afternoon and try it out, no equipment is required. Please contact the treasurer Mike Watson on 01626 832888 or email [mgtwatson@aol.com](mailto:mgtwatson@aol.com) for further details.

# Bovey Tracey Lawn Tennis Club

BOVEY Tracey Lawn Tennis Club will offer you the opportunity to enjoy the many pleasures of playing tennis.

Come and join us – we are always happy to include new members.

We embrace all levels of ability, from starting small children off with a racquet and ball under the guiding eye of our LTA accredited coach Ryan Bougourd, to social mornings of good quality tennis during the week.

For the player who is a little reluctant to renew a previously held enthusiasm there is a 'Back To Tennis' evening on Tuesdays, run by Ryan, to revise and rekindle those skills. Once

re-established, players are encouraged to join in club nights on Mondays and Thursdays.

If really keen, players can join in the ladies', men's, and mixed teams that play in the Exeter and South Hams Leagues.

During the year we run friendly mixed tournaments and internal competitions, usually combined with a social get-together.

Do come and join us for casual tennis, competitions or coaching from our excellent coach.

Contact the club coach, Ryan Bougourd, on 07814 395564 or Melanie Kempson on 01626 833939, [www.boveytraceyltc.com](http://www.boveytraceyltc.com).

# Bovey Tracey Bowling Club

BOVEY Tracey Bowling Club is situated in the Recreation Ground adjoining the cricket and tennis clubs. Vehicular access is from Newton Road, Bovey Tracey, TQ13 9PF. There is ample parking available.

This is a well-established club which celebrated its centenary in 2011. Originally connected with the cricket club, it became independent in 1980 with its own clubhouse which was replaced in 2008.

There is a busy fixture list for 2017 with both men's and ladies' leagues, friendly matches, a weekly club evening, club tournaments and

competitions. Also, in the winter, there are opportunities for indoor bowling for both roll-ups and matches against local indoor clubs.

Off the green, there are a number of 'out of season' social activities, including weekly art and bridge groups. The club would welcome

enquiries from anyone interested in joining – both experienced and new bowlers.

At Bovey Tracey Primary School, our key values (shown above) help our children embrace challenge and become well-equipped for the world they live in. We empower our children and enable them to be creative, adaptable and powerful thinkers. After all, they are the decision makers and citizens of the future.

By inspiring, nurturing and challenging children, we create a culture of high expectations both across our curriculum and through their daily lives. We develop self belief, motivation and resilience as well as teaching the skills of collaboration and reflectiveness. Our approach to teaching tailors and personalises learning and addresses the needs of each child. We can

pinpoint learning needs and support and challenge children in focused teaching groups. All children deserve a first rate education tailored to their personal needs. We have ensured that our creative curriculum continues to enable children to become immersed in learning across all areas, from science, ICT and technology to drama, art

and history. Our Early Years have a fantastic outside area which enables our children to create, explore and discover, developing their curiosity and imagination.

The whole child is important to us. Parents and extended family have the opportunity to share in the achievements of their child as they join us for our 'Celebration Assembly'. Newly-opened last year, our 'Thrive Hive' helps develop children's emotional needs more clearly.

We see ourselves as an integral part of the town and value the links we have with the community.

Please look at our website to see the vast range of activities which we have participated in. We have music clubs each morning before school and you will be able to see our sporting successes as well as all of the additional opportunities the children have been offered.

Year 6 children are able to apply to be a 'Buddy' to a new Reception child. The older children stick with them and help their confidence through their first year at school. When children feel safe and happy they can learn well.

# Dartmoor Pony Heritage Trust

MOORLAND ponies are an integral part of the Dartmoor landscape. In addition to drawing in visitors, they play a vital role in grazing the moor and maintaining its character.

Based at its Information and Education Centre at Parke Estate on the Haytor Road, the Dartmoor Pony Heritage Trust (charity no 1109196) works with Dartmoor pony keepers to try to ensure the viability and the long-term survival of the traditional Dartmoor pony in its natural environment.

## 'PONIES INSPIRING PEOPLE' – OPENING MINDS AND HEALING HEARTS

The Dartmoor Pony Heritage Trust (DPHT) has built a strong reputation for its education programmes using Dartmoor ponies as the 'platform for learning' for young people with a range of life challenges, from both mainstream and special schools. We create opportunities for youngsters to meet their full potential and gain social and emotional skills to enable them to participate more effectively in everyday life - and potentially to move into employment.

## PART OF THE COMMUNITY

We offer a broad range of opportunities for volunteers of all ages – and all are rewarding

### DPHT Patron, Judi Spiers meets Charlie

## FREE GUIDED WALKS

At Bellever – a great half day exploration of Dartmoor history, archaeology, flora, fauna and ponies – of course! For groups of 6 persons or more, all ages and abilities.

## OPEN DAYS FOR EVERYONE

For our friends and supporters to learn more about the ponies on Dartmoor and the challenges they face

## EVENTS

We run a popular Family Dog Show and a number of other events during the year. We have a fantastic venue with our barn and paddocks, and are always open to ideas for events to benefit the community and the Trust.

## SHOWCASE FOR THE DARTMOOR PONY

Our ponies run in the DPHT paddocks, we take Dartmoor ponies for 'taming' and our own resident herd is full of pony characters! Adopt a pony; fundraise; or make DPHT the 'Charity of the Year' for your school or organisation.
